Boarding Contract

This is a Contract between Kennel in the Oaks (hereinafter called "KITO") and the pet owner whose signature appears below (hereinafter called "Owner") for service for _____ (hereinafter called "Pet").

Due to the social nature of a kennel, there are some inherent risks. These risks may include, but are not limited to: transfer of communicable diseases such as Canine Papilloma Virus (Puppy Warts) and Kennel Cough. Injuries may include, but are not limited to: broken nails, sore feet, puncture wounds, abrasions and cuts. These injuries are generally benign and can usually be managed by our staff or at home. In some cases, veterinary care may be required.

If Pet becomes ill or if Pet's behavior endangers itself, humans, or other animals, KITO, in its sole discretion, may engage the services of a veterinarian. All attempts will be made to contact the owner of the Pet first; however, in the event of an extreme emergency, the well being of the Pet comes first. Medication will be administered as necessary under the direction of a veterinarian. The undersigned Owner hereby gives the veterinarian complete authority to treat Pet in whatever manner deemed necessary. Owner will be responsible for all veterinary charges upon release of the Pet. Owner also gives full authority for the treating veterinarian and other associates to discuss with KITO any aspect of any illness or injury that KITO has presented for treatment.

Owner specifically represents to KITO that Pet has not been exposed to rabies or distemper within a thirty-day period prior to boarding. **KITO requires proof of current Rabies, DHLPP and Bordetella (Kennel Cough) vaccinations.** We require a Bordetella vaccination every **six (6) months**. The Bordetella vaccine is not 100% effective. It is recommended that it be given to your dog at least two (2) weeks prior to Pet's arrival date to increase efficacy. KITO makes no guarantees in regards to the Bordetella vaccine. All pets are checked for external parasites (fleas/ticks) upon entry to the facility. If any external parasites are found, they will be treated accordingly and Owner will be responsible for those expenses. KITO encourages Owner to treat dog for fleas prior to kenneling.

KITO shall exercise reasonable care for Pet delivered by Owner to KITO for boarding. It is expressly agreed by Owner and KITO that KITO's liability shall in no event exceed fair market value for the Pet boarded. The Owner further agrees to be solely responsible for any and all acts or behavior of said Pet while in the care of KITO. Owner agrees to be financially responsible for kennel property damage by Pet. Reasonable costs for damage will be payable upon checkout of Pet.

For extended stays over 10 days, half payment is expected **at the time of check-in**. Drop-off and pick-up hours are 8-11 AM and 4-5 PM. After 6:00 PM, another night's boarding fee will be applied. KITO is closed on Sunday. However, exceptions for emergency situations can be arranged for an additional charge. Owner agrees to pay all costs for special services requested (walking dog, extra playtime, food, bath, etc.).

By signing this Agreement and leaving Pet with KITO, the Owner certifies the accuracy of all information given about Pet and accepts the terms of this Contract. Owner specifically represents that he or she is the sole owner of Pet. Owner authorizes KITO to use pictures of their Pet taken while participating in KITO activities on its website and in other promotional materials.

This contract contains the entire agreement between the parties.
